Beaufort Double

Quality

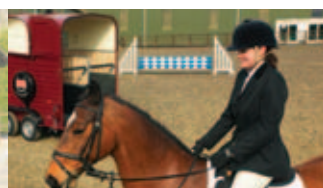

Location photography courtesy of Bishop Burton College

The Beaufort Double is an excellent combination of enviable design and high quality engineering, and reflects the internationally famous reputation of Rice Trailers.

The very high specification has been developed to guarantee the comfort and safety of your horses during each journey, long or short.

The Beaufort Double boasts full length side pads and fully padded swivel-type partition, with padded breast / breech bars. Its chassis and axle strength mean that two large horses can be carried effortlessly. (Gross capacity 2600kg)

Large opening side windows increase light and visibility for your horses and side vents improve their comfort on the move.

Heritage & Quality

Beaufort Double
